2. ACTIVITIES

During December, I participated in the PPK Faculty Management Meeting online. I actively exercised my voting rights during the PPDT postal vote and also exercised my right to express my opinion on certain issues.

My fellow representatives and I finalized the dates for office hours and scheduled attendance. Due to the end of the fall semester and the beginning of the exam period, actual attendance will begin in February. Location: Kazinczy street 23-27, 1st floor /room 116.

With my fellow representatives we reviewed the Hungarian-language content of the DÖK website. We made the necessary corrections and updates reviewed the final Hungarian and English version then approved by the Student Council. I forwarded the text to the NDI secretariat. The website was under development in December.

On December 4, Edina Makszim participated in the online meeting of the Faculty Quality Management Committee.

Please feel free to contact me with any questions or comments you may have. Thank you for reading my report.
