

Report of Zoltán Kovács, president of the supervisory board

1. Report

This month, there were no tasks which required the input of the supervisory board. There was no supervisory board meeting, and no requests arrived by e-mail either. Because of this, there was no extra work required by me, so I won't be applying for the grant with this report.

Thank you, for reading my report. If you have a question for me or for the supervisory board, you can reach me at **eb@edok.elte.hu**.
