

Report of Zoltán Kovács, president of the supervisory board

- 2026. 04.16 - ELTE EDÖK General Assembly

1. Report

This month, I was present at the EDÖK General Assembly as the president of the supervisory board, where I was responsible for determining quorum, and conducting the secret votes using the online voting system. Through the month, I checked my contacts regularly, but no inquiry was made towards the supervisory board. Since the position didn't come with any special extra responsibilities this month either, I won't be applying for the grant with this report either.

Thank you, for reading my report. If you have a question for me or for the supervisory board, you can reach me at **eb@edok.elte.hu**.
