ELTE EDÖK General Assembly Report

Zsófia Bányi, President of the Supervisory Board

02/10/2026 – ELTE EDÖK Ordinary Supervisory Board Meeting

1. Report

In October, I organized the vote on the approval of the September reports.

At the end of the nomination period for the representative elections, I participated in the publication of the list of candidates.

Throughout the voting period, I continuously monitored voter turnout, kept the Supervisory Board members informed of the current figures, and sent reminder emails to eligible voters.

If you have any questions for me or the Supervisory Board, feel free to contact me at **eb@edok.elte.hu**.
