Eötvös Loránd University – University Doctoral Students' Union

Supervisory Board: Minutes of the 2026/2027 Faculty of Economics Doctoral Student Representative Election

MINUTES

These minutes conclude the elections of the Doctoral Students' Union of the Faculty of Economics of Eötvös Loránd University (hereinafter: ELTE GTK DÖK), pursuant to Section 12(3) of the Statutes of the Eötvös Loránd University Doctoral Students' Union (hereinafter: ELTE EDÖK).

Election period

The nomination period ran from 21 September to 2 October 2026.

The voting period ran from 19 October to 6 November 2026.

Number of eligible voters

According to data requested in advance, 19 doctoral students at ELTE Faculty of Economics were enrolled in full-time programmes and had active student status. All 19 were eligible to vote on the basis of their full-time enrolment.

Number of voters

A total of 13 students cast votes, all 13 being eligible on the basis of their full-time enrolment.

Accordingly, voter turnout among eligible full-time doctoral students was 68.42%.

Under Section 11(7) of the Statutes of the Eötvös Loránd University Doctoral Students' Union (hereinafter: EDÖK Statutes), a faculty election is valid if more than 25% of the faculty's full-time doctoral students vote. Furthermore, a valid faculty election is successful with respect to an individual candidate if that candidate receives votes corresponding to at least 25% of the number of participants in the election.

On this basis, I establish that the vote was valid.

Votes cast for individual candidates

Based on the report generated from the voting system, I establish that the numbers and percentages of votes in support of each candidate were as follows:

Fáró Jenő: 7 votes in support (53.85%)

Éberle Richárd: 7 votes in support (53.85%)

Gazdag Gergely: 7 votes in support (53.85%)

Molnár Levente: 6 votes in support (46.15%)

Forgács Benjámin: 5 votes in support (38.46%)

Dragonya Gábor: 3 votes in support (23.08%)

None of the above: 0 votes (0.00%)

Election results

Under Section 11(2) of the EDÖK Statutes, the maximum number of representatives at the Faculty of Economics is 10.

Under Section 11(7) of the EDÖK Statutes, a valid faculty election is successful with respect to an individual candidate if the candidate receives votes corresponding to at least 25% of the number of participants. Pursuant to Section 11(11), the candidates receiving the highest numbers of valid votes, up to the number of seats available in the electoral district, become representatives, provided they have obtained 25% of the valid votes cast.

On this basis, I establish that the election was successful and that 5 of the 6 candidates were elected as representatives.

The elected representatives' terms of office run from the inaugural meeting in 2026 until the inaugural meeting in 2027.

Appeals procedure

Appeals concerning the representative elections may be submitted in the first instance to the Supervisory Board of ELTE EDÖK. The appeals procedure is governed by Section 21 of the EDÖK Statutes.
